

Investing for Success

**Under this agreement for 2020
Biloela State School will receive**

\$200,721*

This funding will be used to

- 85% of students achieve A-C in Maths.
- Upper Two Bands Numeracy - Year 3 35%, Year 5 25%.
- NAPLAN (National Assessment Program – Literacy and Numeracy) National Minimum Standards (NMS) Mathematics - Year 3 95% Year 5 95%
- Increase capacity of leaders to enable higher levels of teacher performance in classroom.
- Maintain extra targeted teacher aide support.

Our initiatives include

- Continuing to enhance teacher capability to implement the Australian Curriculum through coaching and feedback cycles and expanded curriculum leadership.
- Provide release time for teachers to work in teams on targeted programs including curriculum development, professional learning teams and devising support plans for individuals and small groups.
- Professional development to develop professional learning teams and peer coaching.
- Implement visible learning three year plan.
- Resources for numeracy and visible learning work to support student engagement and school priorities.
- Embed Sharrett's "Five Questions for Students" to provide feedback to staff members and provide students with an opportunity to articulate their learning and give feedback to staff members.
- Use the Early Start resources to benchmark students in prep and build student support from Early Start data.
- Employ a speech language pathologist two days a week to support and develop programs for students with complex speech language needs and provide staff upskilling in speech programs.
